Introduction

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in any program or activity receiving federal financial assistance. Several other federal legal authorities supplement Title VI by extending protections based on age, sex, and disability. In addition, the Civil Rights Restoration Act of 1987 clarified Title VI enforcement by mandating that Title VI requirements apply to *all* programs and activities of federal-aid recipients regardless of whether any particular program or activity involves federal funds. Taken together, these laws require recipients and subrecipients of federal funds to ensure all programs and services are delivered to the public without discrimination.

County of Cottle, as a recipient of federal financial assistance, will ensure full compliance with Title VI of the Civil Rights Act of 1964; 49 C.F.R. Part 21 (Department of Transportation Regulations for the Implementation of Title VI of the Civil Rights Act of 1964); 49 C.F.R. Part 21; and related statutes and regulations. *County of Cottle* acknowledges it is subject to and will comply with Federal Highway Administration Title VI Assurances.

This plan explains how *County of Cottle* incorporates the requirements of Title VI and related legal authorities into its operations. The plan will be used as a reference for *County of Cottle* and an informational resource for the public. The plan will be updated *every 3 years* to reflect changes in Title VI compliance operations.

Discrimination under Title VI

It is the responsibility of every *County of Cottle* employee to prevent, minimize, and eradicate any form of discrimination. There are two types of discrimination prohibited under Title VI and its related statutes: (1) disparate treatment that alleges similarly situated persons are treated differently because of their race, color, or national origin (*i.e.*, intentional discrimination); and (2) disparate impact/effects when a facially neutral policy, procedure, or practice results in different or inferior services or benefits to members of a protected group. The focus of disparate impact is on the consequences of a decision, policy, or practice rather than the intent.

Prohibited forms of discrimination may include, but not be limited to, the following:

- The denial of services, financial aid, or other benefits provided under a program;
- Distinctions in the quality, quantity, or manner in which a benefit is provided;
- Segregation or separation of persons in any part of the program;
- Restriction in the enjoyment of any advantages, privileges, or other benefits provided to others;
- Differing standards or requirements for participation;
- Methods of administration that directly or indirectly, or through contractual relationships would defeat or impair the accomplishment of effective nondiscrimination; or
- Discrimination in any activities or services related to a highway, infrastructure or facility built or repaired in whole or in part with federal funds.

County of Cottle efforts to prevent such discrimination must address, but not be limited to, how a program or activity:

- Impacts the public;
- Provides accessibility;
- Provides equal access to benefits;
- Encourages participation;
- Provides services equitably;

- Initiates contracting and training opportunities;
- Investigates complaints;
- Allocates funding; and
- Prioritizes projects.

The authorities applicable to *County of Cottle* Title VI/Nondiscrimination Program include:

This policy applies to all operations of *County of Cottle*, including its contractors and anyone who acts on behalf of *County of Cottle*. Standard DOT Assurances

The U.S. DOT requires that federal financial assistance be provided on the condition that the recipient provides an assurance that its programs and activities will be conducted in compliance with Title VI of the Civil Rights Act of 1964. The requirement is located at 49 CFR 21.7(a). To support the implementation of this requirement, the U.S. DOT provided an assurances agreement in U.S. DOT Order 1050.2A that federal fund recipients and subrecipients must sign as a condition of receiving federal financial assistance.

The assurances agreement provides specific non-discrimination language, *County of Cottle*, is required to include in bid solicitations or requests for proposal, contracts, and real estate agreements. *County of Cottle* is committed to ensuring the necessary language is used as prescribed in the assurances agreement.

In accordance with this requirement, *County of Cottle* has signed the U.S. DOT Standard Title VI/Non-Discrimination Assurances. The document is attached as **Attachment 2**.

The FHWA Texas Division Office will forward the complaint to FHWA Headquarters Office of Civil Rights (HCR).

FHWA HCR is responsible for all determinations regarding whether to accept, dismiss, or transfer Title VI complaints. There are four potential outcomes for processing complaints:

- **Accept:** If a complaint is timely filed, contains sufficient information to support a claim under Title VI, and concerns matters under the FHWA's jurisdiction, then HCR will send to the complainant, the respondent agency, and the FHWA Texas Division Office a written notice that it has accepted the complaint for investigation.
- **Preliminary review:** If it is unclear whether the complaint allegations are sufficient to support a claim under Title VI, then HCR may (1) dismiss it or (2) engage in a preliminary review to acquire additional information from the complainant and/or respondent before deciding whether to accept, dismiss, or refer the complaint.
- **Procedural Dismissal:** If a complaint is not timely filed, is not in writing and signed, or features other procedural/practical defects, then HCR will send the complainant, respondent, and FHWA Texas Division Office a written notice that it is dismissing the complaint.
- **Referral\Dismissal:** If the complaint is procedurally sufficient but FHWA (1) lacks jurisdiction over the subject matter or (2) lacks jurisdiction over the respondent entity, then HCR will either dismiss the complaint or refer it to another agency that does have jurisdiction. If HCR dismisses the complaint, it will send the complainant, respondent, and FHWA Division Office a copy of the written dismissal notice. For referrals, FHWA will send a written referral notice with a copy of the complaint to the proper Federal agency and a copy to the USDOT Departmental Office of Civil Rights.

Complaints are not investigated by *COUNTY OF COTTLE*. FHWA HCR is responsible for investigating all complaints. FHWA HCR may also delegate the investigation to TxDOT OCR, who would then conduct all data requests, interviews, and analysis and create a Report of Investigation (ROI). TxDOT OCR will have sixty (60) business days from the date the investigation is delegated to prepare the ROI and send it to HCR. HCR will review the ROI and compose a Letter of Finding based on the ROI.

- *MEDIA RELEASES*
- *LOCAL COMMUNITY PUBLIC MEETINGS*

Traditionally underserved communities can find it more difficult to engage with decision making entities due to scheduling conflicts, lack of transportation to public involvement events, language barriers, lack of childcare, etc. Genuine public involvement takes place at all levels and so *COUNTY OF COTTLE* aims to identify communities that may be affected by a project in order to plan appropriately and effectively for the potentially impacted groups. Sources of data used were listed above in the Data Gathering section. *COUNTY OF COTTLE* specifically uses the following sources to identify minority and populations with limited English proficiency.

- *US CENSUS TABLE P9 – HISPANIC OR LATINO AND NOT HISPANIC OR LATINO BY RACE*
- *ACS TABLE B16001 – LANGUAGE SPOKEN AT HOME BY ABILITY TO SPEAK ENGLISH FOR THE POPULATION 5 YEARS AND OVER*

COUNTY OF COTTLE will use the following techniques to ensure that all members of the community have the opportunity to participate in the decision-making process:

- *HOLDING MEETINGS AT DIFFERENT TIMES OR ON THE WEEKEND*
- *HOLDING MEETINGS AT LOCATIONS IN NEIGHBORHOOD LIKE SCHOOLS OR PARKS*
- *PROVIDING VIRTUAL OPTIONS*
- *TRANSLATING DOCUMENTS INTO LANGUAGES OTHER THAN ENGLISH*

Language Assistance and Limited English Proficiency

Individuals with Limited English Proficiency (LEP) are those who do not speak English as their primary language and have a limited ability to read, write, speak, or understand English as a result of their national origin. Under Title VI, these individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Per USDOT LEP guidance, as outlined on FHWA's Civil Rights website, recipients of federal funds are required to take reasonable steps to ensure meaningful access to their programs and activities by LEP persons. While designed to be a flexible and fact-dependent standard, the starting point is an individualized assessment that balances the following four factors.

- (1) **Number or proportion of LEP persons eligible to be served or likely to be encountered by the program:** The County of Cottle is home to 1,263 people (13% of the population) who speak Spanish. The number of people who speak other languages and English less than very well all comprise under 0.1% of the Population.
- (2) **Frequency with which LEP individuals come in contact with the program:** Based on the limited population of Spanish speakers who also speak English less than very well, the County of Cottle designates the following as Vital Documents which will be translated to Spanish: Title VI Policy Statement, Title VI Notice to the Public, Title VI Complaint Form, and Title VI Complaint Procedures.
- (3) **Nature and importance of the program, activity, or service provided by the program to people's lives:** Any need for translated documents or interpretation services will be provided on an as-needed basis. That is, anyone requesting specific information in a non-English language will be provided it upon request. The County will use its internal resources to meet this need, when available. Otherwise, the County will reach out to external partner agency resources, or a translator or interpreter as needed.
- (4) **Resources available to the grantee/recipient or agency, and costs:** County of Cottle has both internal and external resources available to assist with translation and interpretation services.
